Enrolment Procedure

8. Application for Enrolment to the College

A Student's name is registered on the wait list when the Application for Enrolment and payment of Application Fee are received by the College. The Application Fee covers administrative costs and is non-refundable. An application is a pre-requisite to admission but not a guarantee of enrolment.

It is the responsibility of the Applicant to ensure the College is informed of any changes to contact details. An application may be removed from the wait list if, after repeated attempts, the Applicant is unable to be contacted.

Prior to an Offer of Enrolment being made by the College, the Applicant is required to provide all relevant information and supporting documents in relation to a Student's enrolment. This includes (but is not limited to) any additional learning and/or wellbeing needs, educational history and assessments, legal or court orders, relevant medical records or other factors that may be relevant to a Student's education or welfare.

Applicants should also advise the College if any additional information relevant to admission becomes available in the period up to the Students commencement date.

9. Offer of Enrolment

Offers of Enrolment are made in accordance with MLC's Enrolment Policy and at the Principal's discretion.

English is the language of instruction and assessment across MLC. A Student must meet the College's English language requirements to be able to access the curriculum and be eligible for a place. A Student may be required to sit an English language assessment test, to determine if their English proficiency meets MLC's requirements.

To accept an offer of enrolment from the College, Applicants must sign the Acceptance of Offer of Enrolment Form and pay the Enrolment Fee. The Application Fee and the Enrolment Fee are non-refundable and non-transferable and cannot be offset against future Tuition Fees.

An offer of enrolment accepted by new MLC Kindle families are for the confirmed commencement date only and cannot be deferred to future years. If an Offer of Enrolment is declined, the original MLC Kindle application can be amended to change the preferred year of entry to the following year. The MLC Kindle application will then be reassessed along with other applications for that incoming year.

10. Conditional Offers of Enrolment

In some circumstances, the College may make a Conditional Offer of Enrolment, which will be subject to additional terms and conditions.

If an Applicant accepts a Conditional Offer of Enrolment, the Applicant is bound by any additional terms and conditions applicable to that enrolment and also continues to be bound by these Terms & Conditions of Enrolment.

11. Deferral or Cancellation of Enrolment

A Student's year and level of entry may be deferred to a later year by the Applicant up to a maximum of two (2) times only. Any subsequent deferrals may result in the application being cancelled and the Application Fee and Enrolment Fee forfeited at the College's discretion.

Deferral of an accepted place for entry to a later year may require payment of a holding fee of 30% of the Tuition Fees, in order to keep the place available. Deferral will be subject to availability of places and is at the College's discretion. A holding fee is non-refundable and is not offset against any future Tuition Fees.

12. Acceptance into the Boarding House

Students can be considered for entry into MLC's Tiddeman Boarding House once they have met the College enrolment criteria as set out in MLC's Enrolment Policy and are in Year 7 to 12. Applicants must sign the MLC Boarding Acceptance Agreement to accept a place in the Tiddeman Boarding House.

bound by the Enrolment Agreement and also MLC's Scholarship Terms and Conditions which are available on the College website.

18. The College reserves the right to obtain further information regarding the Student including all academic information, school reports, living arrangements and all medical and other reports regarding the Student, if applicable.

Student Withdrawal or Deferral

19. Notice Period

Where an Applicant has accepted a place at the College and paid the Tuition Fees in Advance payment, this payment is non-refundable in the event that a Student does not commence at the College in line with their accepted enrolment.

If an Applicant withdraws their child after paying the Tuition Fees in Advance, this amount is forfeited. It is non-refundable and non-transferable to another year.

If the Applicant wishes to withdraw the Student from the College after the Student has commenced at the College, the Applicant must give the College the required notice in writing signed by each of the Applicants who signed the Enrolment Agreement. No 'part of' a term or school holiday period will be included in determining the notice period.

The following notice periods apply for the withdrawal of a Student after they have commenced at the College:

- a. Day Student: One full term's notice is required, in writing to the Principal, before the withdrawal of a day Student from the College. If the required notice is not given, one full term's Tuition Fees will be charged in lieu of notice as a genuine pre-estimate of the costs incurred.
- b. Boarding Students: Notice period is one full term in writing to the Principal, before the withdrawal of a boarding Student from the College. If the required notice is not given, one full term's Boarding House fees and one full term's Tuition Fees will be charged in lieu of notice as a genuine pre-estimate of the costs incurred.
- c. Boarding Student transferring to Day Student: One full term's notice is required, in writing to the Principal, when a boarding Student no longer requires accommodation and is transferring to a day Student. If the required notice is not given, one full term's Boarding House fees will be charged in lieu of notice as a genuine pre-estimate of the costs incurred.
- d. MLC Kindle: One full school term's notice is required, in writing to the Principal, before the

withdrawal of an MLC Kindle Student from the College. If the required notice is not given, one full term's Tuition Fees will be charged as a genuine pre-estimate of the costs incurred.

20. Refunds and Notice Periods

Application Fees and Enrolment Fees are non-refundable.

For Students who commence at the College, the Tuition Fees in Advance is offset against the second invoice of Tuition Fees (issued in February of the year the Student starts at the College). If the Applicant withdraws the Student prior to the Student starting at the College, the Tuition Fees in Advance payment is forfeited to represent the College's genuine pre-estimate of the cost incurred in being able to fill that place.

For Students who have commenced at the College, any pre-paid Tuition Fees and Charges will be refunded (subject to the College having been provided the appropriate period of notice of withdrawal) within three months to the person/s who made the relevant payment or the Applicant, if the required notice is provided.

The withdrawal of a Student and subsequent re-enrolment of the same Student requires a new Application for Enrolment and payment of the Application Fee and Enrolment Fee. A new date of application and position on the wait list will be allocated.

A half term's notice is required to discontinue a special subject, or a fee equivalent to a half term's Tuition Fees will be charged. A full term's notice is required to discontinue a co-curricular activity, or a fee equivalent to a full term's fee will be charged.

No refund of Tuition Fees paid or waiver of any Tuition Fees outstanding will be made if the Student is withdrawn from the College during a term, is absent for any reason without providing the required notice period or suspended due to disciplinary action.

All student mobile computing devices are financed through a fixed term rental program. On withdrawal, Parents will be contacted regarding either the return of devices and subsequent credit of any recoverable costs; or the amount payable should they wish to retain the device and its bundled accessories.

21. Cancellation/suspension of enrolment

The College may cancel or suspend a Student's enrolment at any time by giving notice of such to the Parent. Cancellation or suspension of enrolment is at the sole discretion of the Principal and may occur as a result of (but not limited to):

The College Board may vary Tuition Fees and Charges from time to time at its sole discretion. Parents will be notified in advance of any such variation, and an updated Fee Schedule will be provided to Parents. Any Parents wishing to withdraw their child following the College notification of the updated Fee Schedule must do so before the commencement of Term 4, to allow the College adequate time to find a new Student and to ensure staffing for the following year. If notice of withdrawal is received after the commencement of Term 4, the College will not have received one full term's notice.

All invoices and statements are sent by email and are available on the College intranet site, myMLCfamily. Families are responsible for ensuring the College has their current email addresses and mobile phone details.

Signatories to the Offer of Enrolment from the College acknowledge that they are jointly and severally responsible for all Tuition Fees and Charges payable as a result of enrolling a child at MLC.

Students of the International Baccalaureate Diploma Programme (Year 11 and 12) incur an additional fee to undertake the program.

The Principal may authorise other particular expenditures (for example medical expenses, school materials or charges for elective subjects) to be charged to the Student's account.

In circumstances where Students apply and are granted permission by the College to study subjects offered by external providers, the cost will be an additional expense of the family and may be charged by the College or the external provider.

Charges apply for a range of optional co-curricular services available at MLC, including but not limited to some sports (for example, rowing, kayaking, snow sports), Music Tuition and Speech and Drama. Before
