

1. INTRODUCTION

Our Community is comprised of individuals, working together towards common goals as defined by the Vision and Mission Statements of the College. Underpinning this is our professionalism and adherence to high standards of ethical conduct. In an increasingly complex and challenging environment characterised by ongoing change, our delivery of educational services must be supported by a clear articulation of what is expected of us in the way we conduct ourselves and perform our work.

2. WHY A CODE OF CONDUCT IS IMPORTANT

The Code of Conduct is important at MLC because all staff and members of the community are in a special position of trust, in relation to the learning and wellbeing of students, representing the College, and having access to resources and information.

The Code of Conduct outlines the College's standards and expectations of professional behaviour and conduct and aims to:

- Assist members of the MLC community in responding to issues in ways that reflect the College's values and standards;
- Promote professionalism, excellence and integrity; and,
- Express shared understandings, beliefs and values.

3. WHO THE CODE OF CONDUCT APPLIES TO

The Code of Conduct applies to all members of the College community engaged in College related business, including staff, contractors, agency staff and volunteers, collectively called "College Staff". Throughout this document there is reference to the term 'relevant manager'. A staff member's 'relevant manager' may be: College Management Team (CMT) Member, Head of School, or Head of Department. (Note: Directors are considered Heads of Department in this context, e.g. Director of Sport or Music).

4. RESPONSIBILITIES

4.1. The MLC College Management Team will:

- Promote appropriate standards of conduct at all times;
- Implement awareness-raising strategies to ensure that everyone knows their responsibilities; and,
- Act at all times in the best interest of the College, with strict integrity and according to legal and approved College policies and procedures.

4.2. Staff, Contractors, Agency Staff, Volunteers will:

- Be familiar with and comply with the MLC Code of Conduct;

- Act at all times in the best interest of the College, with strict integrity and according to legal and approved College policies and procedures; and,
- Immediately raise any concerns or issues with their relevant manager.

4.3. CMT, Heads of Department, Managers and Heads of School will also:

- Take a leadership role in observing and promoting the behaviours and standards in this Code of Conduct and related policies; and,
- Take immediate action, in accordance with the policy, if there is a breach of policy.

All staff must adhere to this policy and report potential or identified breaches in accordance with Section 6 of this Policy.

Appropriate conduct does require the application of judgement and common sense as to what might be considered acceptable in the context of a professional environment and an institution built around the respectful and safe provision of education to students of all ages.

5. STANDARDS

5.1. Child Safety and Relationships within the MLC Community

MLC is committed to the safety, participation and empowerment of all children and we support and respect all children, as well as our employees, contractors, agency staff and volunteers.

MLC will promote appropriate standards of behaviour at all times in our dealings and relationships within our community, and will encourage reporting of inappropriate behaviour.

Members of the MLC Community are expected to always behave in a manner that promotes the safety and wellbeing of students. Staff should develop professional relationships with students that cannot be misinterpreted as a personal interest (as opposed to a professional interest) in a student.

Please refer to the Child Safe Policy and the MLC Relationships Policy.

5.2. Confidential Information

In your role, you may become privy to confidential or sensitive information related to the College, its staff, students or their families. At all times, both during and after your employment/work with the College, you are required to treat such information with the utmost confidence and to respect the privacy of others. This means you must not use this information or disclose it to others unless legally required to do so. Confidential or sensitive information does not include any information already in the public domain.

5.3. Conflict of Interest

5.3.1. Business Transactions

You should conduct all business transactions in the best interests of MLC and avoid situations where your personal interests could conflict with the interests of MLC. If you are in a potential conflict of interest situation you must disclose this to your relevant manager.

Examples of Conflict of Interest include:

- Participating in external employment or activities that would detract from an individual's job performance with MLC (e.g. through long hours affecting physical or mental effectiveness) or conflict with any obligations to MLC.
- Having an economic or personal interest that might influence an individual's judgement or action, in any organisation which competes or does business with MLC. This would include having a financial interest or personal/familial relationship with a supplier to the College.

5.3.2. Gifts and Entertainment

You may not accept or provide gifts or entertainment for personal use, which will obligate or appear to obligate the recipient or the College. Gifts and entertainment should be used only to maintain or develop appropriate business relationships.

5.4. Diversity

Our MLC Community is comprised of individuals, working together towards common goals. We are proud of our diversity and enjoy celebrating and learning about different people, different activities and different disciplines. At MLC, we value every one's right to be treated with respect, dignity and courtesy. It is every individual's right to enter a workplace that is free of harassment, discrimination and bullying – and we all have a responsibility to ensure that this happens.

You are required to:

- Actively discourage discrimination, harassment and bullying of any kind, in all aspects of College life; and,
- Notify your relevant manager immediately if you witness behaviour that may constitute harassment, discrimination or bullying.

5.5. Drugs and Alcohol

You are not permitted to:

- Attend work when your performance is impaired by the influence of alcohol or drugs;
- Consume, use or possess illegal drugs at any MLC premises or College related event; nor

Staff members working during non-term time may not consume alcohol and/or drugs during their normal work hours.

Any person directly responsible for coordinating an after-hours event involving students, or if responsible for students at an event, must not consume any alcohol and/or drugs.

College Staff on MLC tours/exchanges or excursions must not consume any alcohol and/or drugs.

Exceptions may be granted by the Principal or the Principal's delegate.

5.6. Duty of Care

During the time students are involved in College approved activities, the staff who care for them stand "in loco parentis" i.e. in the place of the parent. However, the standard of the care due to the students at a school is greater than that of a prudent parent. The care required is the prevention of a reasonably foreseeable event that could cause physical or emotional harm to the student. All members of the College community must meet these standards of duty of care and comply with MLC Policies and Procedures.

5.7. Honesty – theft and fraud

You have a responsibility to protect any College assets under your control. This includes information, cash and financial assets, equipment, inventory and supplies.

5.9. Occupational Health and Safety

The College is committed to the provision of a safe and healthy workplace for all people who access College premises. Our objective is to ensure accountability at all levels, encourage consultation and co-operation for the prevention of occupational injury and disease.

You are required to:

- Comply with all Occupational Health, Safety and Environment Policies;
